

# Mountain Huts

## Available to Members

The list was last updated on the date printed at the bottom of the following page. It provides details of huts maintained by mountaineering and climbing clubs who are members of the BMC. These Clubs are willing, if there is room, to make their huts available to other BMC members. Besides the huts in Scotland listed here, information about other huts owned by Scottish clubs, including contact details, are given in the Mountaineering Council of Scotland's huts list. This can be obtained for £3.00 per copy from the MC of S, The Old Granary, West Mill Street, Perth. PH1 5QP. Please make cheques out to 'The MC of S and also enclose an SAE. A map showing the approximate location of Scottish club huts and details of the facilities provided can be found on the MC of C website [www.mountaineering-scotland.org.uk](http://www.mountaineering-scotland.org.uk).

Details of independent hostels in England, Wales and Scotland can be obtained from the Backpacker Press, 01629 580 427

### **Corrections to Lists**

The list will be reprinted approximately twice a year, but it would be helpful if club secretaries could notify the BMC of any alterations or additions as they occur.

### **Hut Equipment**

Unless otherwise stated huts are available for both men and women and equipped with beds or bunks. If details are not given in the list it is advisable to check with the Hut Booking Secretary regarding fuel, blankets and cooking facilities. Members should take their own food and a sleeping bag.

### **Booking**

Members wishing to make use of these facilities should approach the Booking Secretary in good time. Some clubs insist that hut bookings should be made by the Secretary of the club wishing to use the hut; if possible the Club Secretary should make the request in writing. The BMC is preparing an on-line "Late Availability Booking Scheme" which will allow hut Booking Secretaries to advertise vacancies and hut users to advertise their requirements. The scheme can be found at [www.thebmc.co.uk/outdoor/huts](http://www.thebmc.co.uk/outdoor/huts) when it is complete.

### **Fair Treatment of Huts**

Members who stay at these huts do so by courtesy of the club concerned and are under an obligation to keep the hut clean and tidy. Failure to do this would bring the list and the entire arrangement into disrepute. In particular, visitors should adhere to the rules exhibited in the hut, or otherwise made known to them, and the methods of payment prescribed.

### **Using the Hut**

If there is any difficulty in contacting the Booking Secretary at the address given on the list, the best course would be to write to the Club's Hon Secretary (addresses available from the BMC office).
